

PRIVACY POLICY

This is Find Your Happy website Privacy Policy. Find your happy ("we", "our", "us") understands your disclosure of personal information is a serious matter and the protection and appropriate use of your personal information is important to us. It explains how we collect, use and handle any personal information we collect from you when you use Find your happy website. In this Privacy Policy the term "personal information" has the same meaning as in the Australian Privacy Act 1988 and includes information that can be used to personally identify you.

Collection of Personal Information by Us

Personal information about visitors to www.findyourhappy.com.au is collected only when knowingly and voluntarily submitted. For example, we may need to collect such information to provide you with further services or to answer or forward any requests or enquiries. It is our intention that this policy will protect your personal information from being dealt with in any way that is inconsistent with applicable privacy laws in Australia.

Personal information that visitors submit to our site is used only for the purpose for which it is submitted or for such other secondary purposes that are related to the primary purpose, unless we disclose other uses in this Internet Privacy Policy or at the time of collection.

Collection of Computer Data

When you visit www.findyourhappy.com.au, our company servers will automatically record information that your browser sends whenever you visit a website.

This data may include:

- Your computer's IP address
- Browser type
- Webpage you were visiting before you came to our site
- The pages within Find your happy website you visit
- The time spent on those pages, items and information searched for on our site, access times and dates, and other statistics.

This information is collected for analysis and evaluation in order to help us improve our site and the services and products we provide. This data will not be used in association with any other personal information.

This website uses Google Analytics, a web analytics service provided by Google Inc. ("Google"). Google Analytics also uses "Cookies", text files that are saved on the hard drive of your computer and enable the analysis of website use through you. The information gathered by the cookie about the use of this website will generally be transmitted to Google servers in the US and saved there. As licensed by the owners of this website, Google will use this information in order to analyze your use of this website, in order to compile reports regarding the website activity, and in order to render further services associated with website activity and internet usage to the owner of this website. The IP address of your browser as detected by Google Analytics will not be conflated with other data from Google. You can choose to prevent the saving of cookie files through the relevant setting in your browser software; we would however like to inform you that you will in this case not be able to use all the functions of this website to their full extent. You can choose to prevent Google's collection and usage of the data gathered by cookie files to provide information regarding your usage of this website (including your IP address) by downloading and installing the browser plugin available [here](#). By using this website, you are consenting to the appropriation of data about you by Google in the manner and for the purposes laid out above. As you browse this website, advertising cookies will be placed on your computer so that we can understand what you are interested in. Our display advertising partner, then enables us to present you with retargeting advertising on other sites based on your previous interaction with this website. The techniques our partners employ do not collect personal information such as your name, email

address, postal address or telephone number. Cookies are used to enhance your use of Find your happy website, as we use them to help personalise Find your happy delivery of services and material to you, such as information, which is most relevant to your profile and interests. You can set up your browser so that it does not accept our cookies. You can also manually delete our cookies from your browser.

This website uses the Google AdWords remarketing service to advertise on third party websites (including Google) to previous visitors to our site. It could mean that we advertise to previous visitors who haven't completed a task on our site, for example using the contact form to make an enquiry. This could be in the form of an advertisement on the Google search results page, or a site in the Google Display Network. Third-party vendors, including Google, use advertising cookies (from DoubleClick) to associate your browser with interest and demographic categories, and serve ads based on your past visits to this website. Of course, any data collected will be used in accordance with our own privacy policy and Google's privacy policy. You can set preferences for how Google advertises to you [here](#), and if you want to you can opt out of interest-based advertising entirely by cookie settings or permanently using a browser plugin.

This website uses retargeting services from the social network Facebook. Facebook collects certain information via cookies to determine which web pages are visited. This data is then used to associate your browser with interest and demographic categories, and serve Facebook ads based on your past visits to this website. Please note that any information collected by Facebook via cookies is not linked to any customer's personal information collected by us.

Integrated on our webpages are plugins from the social network Facebook, 1601 South California Avenue, Palo Alto, CA 94304, USA. These Facebook-plugins are indicated by the Facebook-logo or the "Like-Button" on our website. You can find an overview of the Facebook-plugins [here](#). When you visit our website, a direct connection is established between your browser and the Facebook server through the plugin. Through this connection, Facebook is informed that you have visited our website using your IP address. Should you click the Facebook "Like-Button" while logged into your Facebook account, you can link the contents of our website to your Facebook profile. In this way Facebook can link your visit to our website to your user account. We would like to point out that, as the proprietors of the pages, we have no influence on the contents of the transmitted data or its use by Facebook. You can find further information regarding this in the Facebook Privacy Policy [here](#). In order to avoid your user account being linked to the data passed on to Facebook, you must be logged out of your Facebook account.

Use and Disclosure of Personal Information by Us

We provide 'support' links on our website that enable you to send emails directly to us (for example, if you need assistance with any of our services or generally in relation to Find your happy. We will retain emails you send for the purposes of contacting you and for our internal purposes.
